Global Studies Kick-Off Meeting

Join us for the semester's Global Studies Kick-Off meeting!

In an informal setting, we start the semester with our kick-off meeting. We will welcome our new students and share with you the upcoming GS events. It is also a perfect opportunity to meet your PhD fellows, the new program head, Prof. Dr. Elize Mazadiego.

The event will also provide a platform to discuss the program and collecting new ideas from you for future courses. The Kick-Off meeting is followed by an Apéro for all. We look forward seeing you all!

For the organization of the Apéro, please register until **September 15**: rea.vogt@unibe.ch
