#### CONSULTANCIES RELATED TO MY ACADEMIC RESEARCH

2012-13	Consultant to the committee that prepared UNESCO World Heritage nomination for Acireale (to be included among the already existing World Heritage list of Baroque Towns of the Val di Noto in South-Eastern Sicily).
2012-13	Consultant to the Commissariat à l'énergie atomique et aux énergies alternatives (Monitoring Department) to set up a research project on historical tsunamis in France.
2005-07	Consultant to the Archivio di Stato di Catania. The first project regarded an inventory of the records related to the 1693 Sicily earthquake. In the second project, I participated in the early design of what has become the Mediterranean Multimedia Historic Archive (that now includes Italian, British, German, and Spanish institutions).
2004-05	Participated in the Geneva University/Polytechnic School of Algiers joint programme to advise the municipality of Zemmouri on reconstruction and urban planning after the May 2003 earthquake.

#### EDUCATION

2003-11	PhD in History, under the supervision of Maurice Aymard, EHESS Paris and (in cotutelle) PhD in Architecture under the supervision of Rémi Baudouï, Geneva University. <i>Félicitations du jury à l'unanimité.</i>
2002-03	MAS in History, EHESS Paris.
1996-97	MSc in Political Economy of Transition, London School of Economics.
1992-94	MSc in Economics and Finance, Science-Po Paris (two-year programme).
1988-92	BA in International Relations, Graduate Institute of International Studies of Geneva (four-year programme).

#### PROFESSIONAL ACTIVITIES BEFORE STARTING THE PHD

1998-2003	Worked as a financial analyst and fund manager for different institutions, Paris and Geneva.
1996	Development projects research and evaluation, United Nations Development Program, Niger.
